Welcome to a 2004 year-built Hermosa (Beautiful) experience! This is an outstanding example of a Spanish Modern front look (in Spanish Hermosa means beautiful).

When approaching the front door, it feels like a big house (ceramic roof) with a lot of room and that's exactly what it gives...The entrance area allows a spacious 18-foot ceiling with chandelier and amazing custom, well-daylight windows. A must see! This fresh 2-story home shows an open 1st floor plan (stone flooring with marble outlining throughout and 1 bed/1.5 bath) with a greeting room, open dining room to kitchen (granite countertop with a cook's-to-do island, built-in Refrigerator) to living room with fireplace which leads to backyard (front and back sprinkler system) with covered patio. The whole house features crown molding, and the 3 full baths reveal tile covered walls with granite vanities. Did we mention a finished 3 Car Garage with laundry hook ups! A spectacular marble staircase reaches the 2nd Floor (3 beds and 2 full baths). The master suite comes with a large bathroom: jetted tub/walk-in shower and a walk-in closet. Centrally located near San Gabriel Country Club, Elm Shopping Center, Santa Anita Shopping Mall, Old Town Pasadena and so on...
