Impeccable Walnut home with swimming pool, upgrades, and three cozy fireplaces

This delightful home boasts an open airy floor plan in a quiet family neighborhood with a huge backyard. All 4 bedrooms are spacious and invite natural sunlight. From the entry, Step down into the family room with a fireplace and enjoy a beverage at the dry bar. This is a great space to entertain. The bar offers extra storage space below the countertop and a stylish mirror. The kitchen is upgraded with granite counters, earth tone backsplash, sleek white cabinets to match the newer tile, and stainless steel appliances. Kitchen is adjacent to the living room with a 2nd fireplace and both have a direct view to the back yard. Third fireplace is in Master bedroom retreat with yard access. Master bathroom has a wide granite vanity overlooking the drop-in tub. You'll see the oversized yard from the master bedroom windows too! This summer heat demands a swimming pool and family fun! Teach the kids a water sport or throw backyard parties. The size of the yard offers many opportunities to design a lounge/BBQ area, garden, or kids' play section. You'll appreciate the bright and airy feel as you stroll through this home as well as the lot size. Send your kids to top rated schools. Address is designated to Westhoff Elementary - one of the highest rated schools in Walnut Valley Unified. Only a handful of homes in this neighborhood are assigned to Westhoff.
